

# National Natural Landmarks 2006 Photo Contest

## Grab Your Cameras!

The National Park Service is proud to announce the **Third Annual National Natural Landmarks Photo Contest**. We want your photos that display the aesthetic, scientific and educational value of the nearly 600 designated Natural Landmarks nation-wide.

The top 13 winning photos will be compiled into a 2007 calendar, showcasing the beauty and value of National Natural Landmarks. All winners receive copies of the calendar. Special recognition and a National Natural Landmarks T-shirt and pin will go to first, second and third-place winners.

Submit your entry in print, digital or slide format by June 30, 2006. Winners will be announced in September. Official entry rules and form are available at [www.nature.nps.gov/nnl/photocontest](http://www.nature.nps.gov/nnl/photocontest) or by calling (717) 334-5229.

The National Natural Landmarks Program recognizes and encourages the conservation of outstanding examples of our country's natural history. It is the only natural areas program of national scope that identifies and honors the best examples of biological and geological features in both public and private ownership. The National Park Service partners with and supports Natural Landmark owners and managers in their conservation efforts.
